

April 2017

## Neighborhood Safety Concerns

The speed limit throughout the neighborhood is 25 miles per hour (mph). Pay close attention during early morning hours and after 3 p.m. when children may be present.

Though a burn ban is not currently issued for Logan County, please be mindful and safe with any controlled fires. Should you need assistance, please contact the Woodcrest Fire Department for most responsive support at 405.282.6567.

## Spring Beautification Date

Birds are chirping, the frogs are returning and the sunlight lasts just a little longer. It must be time for Spring Cleaning! Join your Charter Oak Hills neighbors and friends for a day of beautification on Saturday, April 15. Work will begin at 9 a.m. and shouldn't last any longer than 2.5 hours.

Beautification projects include:

- Cleaning Charter Oak Rd. between east entrance and Douglas Blvd.

Do you have a project you'd like added to the Spring Cleaning Beautification list? Email your suggestions to [charteroakhillshoa@gmail.com](mailto:charteroakhillshoa@gmail.com),

## Maintenance & Project Updates

In February, the HOA Board discussed a pothole needing filled near the southeast entrance. The builder responsible for the home being built near the issue has repaired the road. Additionally, CREC repaired a downed street lamp and replaced light bulbs at the east entrance and south Stonecrest.

Projects can always be done around the neighborhood. If there is a project you are passionate about completing, please volunteer with the Charter Oak Hills HOA. Email [charteroakhillshoa@gmail.com](mailto:charteroakhillshoa@gmail.com) to sign-up for work weekends. Projects will be scheduled based on interest.

## Welcome New Residents

We'd like to welcome Thomas & Joyce Alden of Coyote Run, Whitey Woolf of Country View Road, and Tyrel and Melissa Hynd of Stonecrest! Welcome to the neighborhood; we know you will love being a part of this community.
